For more than 50 years, the mission of Lacawac Sanctuary has been to preserve Lake Lacawac, its watershed, the surrounding forest and historic structures in order to provide a venue for ecological research, scholarly interaction and the training of scientists; and provide public education on environmental and conservation issues. Lacawac has accomplished this mission by offering a diverse set of natural areas, facilities, and programs for PreK-12 grades, post-secondary educators and students, area residents, scientific researchers, and summer visitors to the region.

BRICK CAMPAIGN

Help Secure the Future!

You're invited to leave your mark at Lacawac Sanctuary with an engraved brick that will be placed at the entrance of the Coulter Visitor Center. More important, your gift will support K-12 and collegiate students and educational programs in ways that will be even longer lasting.

Commemorative bricks are a wonderful opportunity to celebrate family milestones and honor or memorialize loved ones. They are a great way to recognize a special person in your life, honor a casual effort, or commemorate a special occasion.

Buy a brick at Lacawac's Visitor Center and help support our mission of research, education and preservation. Leave your imprint on the history of Lacawac!

Why join our commemorative brick campaign?
