BY-LAWS OF

LACAWAC SANCTUARY FOUNDATION, INC.

PREAMBLE

Lacawac Sanctuary Foundation, Inc, accepts as its highest priority, protection of the living environment of the Sanctuary, encouraging the system within its confines to represent as nearly as possible the natural condition. Preserving a “natural area” is a political act. Therefore, significant usage and service to science, academia, and to the community are the mechanism by which the Sanctuary earns its right to exist. These are compatible objectives insofar as usage in so small an area leaves minimal imprint, and the quality of the experience takes precedence over the gross numbers directly served.
