Welcome to the Historic Lodge at Lacawac Sanctuary!

We know that you want a wedding venue that is as unique as you are, so we are proud to present Lacawac Sanctuary, a historic and rustic chic venue on the National Registry of Historic Places. Nestled in the mountains of the Poconos in the heart of 550 acres, Lacawac offers over 12,000 square feet of indoor and outdoor space to bring your dream event to life for up to 150 guests.

Lacawac Sanctuary is a nature center, environmental education facility, ecological research station and historic venue located in the heart of the Northern Poconos on the shore of Lake Wallenpaupack. The rental of Lacawac Sanctuary's Historic Lodge for your special day benefits Lacawac's mission to preserve and protect our natural and historic heritage, which protects open spaces, educates the public on our natural resources, and historic places like the Watres Lodge.
